

# Engineering & Manufacturing Management

As one of the fastest growing industries, engineering encompasses several different fields, each requiring its own distinct technical skill set. In today's competitive job market, you need a **fast, efficient strategy** to recruit top talent.

CPS Recruitment can help you locate the candidate that not only has the **technical expertise, communication and leadership skills** required to succeed, but who possesses the soft skills to fit your company culture.

As the largest independent full-service staffing and recruitment firm in CNY, CPS Recruitment is the leader in technical recruitment services for engineering and manufacturing management. We understand the challenges your business faces and have refined our process over the last 30 years to give you the proven results needed to **compete at the highest level.**

Let our comprehensive search process and laser focused recruiters help you find the right talent at the right time. **Call us today at 315-457-2500 x6 or e-mail us at [sales@cpsrecruiter.com](mailto:sales@cpsrecruiter.com) to learn more!**
