Information Technology

Recruiting and retaining tech talent is one of the biggest challenges in the IT industry today – especially in a field where demand exceeds supply. When faced with an IT staffing roadblock, you need a trusted partner that can **save you resources, time, and most of all, money.**

Providing **industry-leading recruitment services for IT,** CPS Recruitment keeps up to date on industry trends, adapting to meet the ever-changing demands of the information technology field. Our dedicated team of seasoned and certified technical recruiters takes the time to understand your technology goals, allowing us to uncover top talent with the right niche-based skills for your organization.

Whether your need is **project based, contract to hire, or direct hire** we offer a full range of IT staffing services designed to give you a competitive edge while meeting time-sensitive staffing needs. **To get started, reach out to our account executives at 315-457-2500 x6 or e-mail us at sales@cpsrecruiter.com**.
